**WaTug of War**
Duration: 5 – 10 Minutes
Max number: 100
The much known Tug of War played in the Shores or in the pool.

**Nonverbal**
Duration: 20 – 30 Minutes
Max number: 50
For the group to line up in numeric order without talking.

**Water Balloon Launch**
Duration: 15-20 Minutes
Max number: 100 - 200
Members in a team will be paired. Each pair is given a towel. Each pair will line up in a row, evenly spaced in between. One team member will throw a water balloon to the first pair who will be required to catch the water balloon with only the towel and subsequently pass it on to the next pair. At the end of the line, the last team member is required to catch the water balloon. The team that finishes with the most water balloon intact will be the winner.

**Goofy Stick**
Duration: 15-20 Minutes
Max number: 100 - 200
One team member at a time will be required to run towards a designated area where a stick will be placed. Each member will have to grab one end of the stick with both hands and put their hands to their foreheads, with the other end on the ground. They will then have to rotate round the stick 8 times and subsequently run back to tag the next team member who will continue to do the same. The first team with all members completing this sequence will be the winner.

**Dress the Clown**
Duration: 20 – 30 Minutes
Max number: 100 - 200
Team members will be required to form one straight line. All items are placed in front of the first team member. The first team member will have to pass item by item backwards between their legs to the last team member. The last team member will then have to dress up in these items. When all items are completed the last team member will have to run to a marker and back with a tray and glass of water. The first team to finish with the glass of water intact is the winner.

**The Longest Line**
Duration: 5 – 10 Minutes
Max number: 100 – 200
Team members will be required to form a line with any item that they have on them. The team with the longest line will be declared the winner. This event is usually not informed to the members so that they cannot prepare in advance.

**Egg Toss**
Duration: 10 – 15 Minutes
Max number: 100 - 200
Teams will select one designated thrower and one designated catcher. These positions cannot change during this event. The thrower will be seated and cannot move. The catcher will start by standing a set distance away. The thrower will throw and the catcher will attempt to catch. If he succeeds he will take 3 steps back and the thrower will attempt the sequence again. If the egg drops and breaks the team is disqualified. If the egg drops but does not break, the team is required to try that distance again before being allowed to take 3 steps back. Supporting team members will assist by bringing the egg back to the thrower after each attempt. The team with the furthest distance between the thrower and catcher, with the egg unbroken is declared the winner.

**Sweets Platter**
Duration: 15 – 20 Minutes
Max number: 100 - 200
Each team will have a plate of flour with a few sweets inside. Team members have their hands tied behind their backs. One by one, they will then have to run to the plate of flour and attempt to retrieve one sweet and bring it back to the starting line where there will be another container. They will have to deposit the sweet into the container before tagging the second team member. The team that completes this event with all sweets collected in the container will be declared the winner.

**Hole in the Bucket**
Duration: 10 – 15 Minutes
Max number: 50 - 60
Team members will be required to fill a bucket full of holes with water. The team that collects the most water in a set time is declared the winner.

**Bakiak Race**
Duration: 20 – 30 Minutes
Max number: 100 - 200
Team members are given a pair of giant slippers. Each team will have to negotiate a set course and return to tag their next team. The first team that completes the entire course is declared the winner.

**A-Z Challenge**
Duration: 10 – 15 Minutes
Team members will be required to collect items according to the alphabet. The team that collects the most items in a set time is declared the winner.

**Brick Walk**  
Duration: 20 – 30 Minutes  
Max number: 50 - 60  
Each team is given 4 pieces of bricks. One member is then required to step on the bricks and ‘walk’ to a marker and return to tag the next member. Their feet cannot touch the ground at any time!! The first team that finishes is declared the winner.

**Sponge Bath**  
Duration: 15 – 20 Minutes  
Max number: 100  
Team members will be seated in a straight line, all facing the same direction, front to back. The last team member will have a few sponges and will be required pass the sponge forwards so that the first team member can soak the sponges to collect water. The sponges will then have to be passed backwards to the last team member who is required to fill a bottle. The team that collects the most water in the bottle given in a set time is declared the winner.

**Rafting**  
Duration: 30 – 45 Minutes  
Max number: 50  
Every group is required to accomplish 2 tasks. The group is to build a working raft from material provided (4 large drums/group, Bamboo poles, Raffia ropes, oars). When the raft is deemed safe for use, the group is to make use of raft to negotiate a course in the waters of the beach. The destination would be made known beforehand.
